Ultimate Dashboard Tools - End User License Agreement

Acceptance, installation, and/or use of the software by the User constitutes acceptance of the terms and conditions of this License.

Scope of License.

The software is licensed, not sold. This agreement only gives you some rights to use the software. Visual Analytics Ltd. reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways.

Limitations on reverse engineering, decompilation, and disassembly.

You may not reverse engineer, decompile, or disassemble the software, except and only to the extent that such activity is expressly permitted by applicable law.

Disclaimer of Warranty.

The software is licensed "as-is." The User bears the entire risk as to the quality and performance of the software. Visual Analytics Ltd. gives no express or implied warranties, guarantees, or conditions. You may have additional consumer rights under your local laws, which this agreement cannot change. To the extent permitted under your local laws, Visual Analytics Ltd. disclaims the implied warranties of merchantability, fitness for a particular purpose, and non-infringement. This limited warranty gives you specific legal rights. You may have others that vary from state/jurisdiction to state/jurisdiction.

Customer remedies.

Visual Analytics Ltd.' entire liability and your exclusive remedy shall be, at Visual Analytics Ltd. option, either (a) return of the price paid, or (b) replacement of the software. This limited warranty is void if failure of the software has resulted from an accident, abuse, or misapplication.

Limitation of liability.

To the maximum extent permitted by applicable law, in no event shall Visual Analytics Ltd. be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of or in connection with the acquisition, installation or use, or attempted installation or use, of the software, including, without restricting the generality of the foregoing, any loss or damage, direct or consequential, caused in whole or in part by any real or alleged failure of or defect in the software, even if Visual Analytics Ltd. has been advised of the possibility of such damages. Because some states/jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you.
